CIME - General medical check-up for newly-arrived migrants

The health system is based on **RESPECT OF THE FREEDOM OF CHOICE of the person and on CONFIDENTIALITY**

All healthcare professionals are bound to **MEDICAL CONFIDENTIALITY**

Your comprehension is **IMPORTANT**. You have the **RIGHT** to request the presence of a **PROFESSIONAL INTERPRETER**. This allows you to understand and to be understood **IN COMPLETE CONFIDENTIALITY**.

Check-up offered by le Réseau Louis Guilloux :

- ◆ A **medical consultation** is offered with a **general practitioner and an interpreter** if required.
- ◆ During this consultation, screenings (chest x-ray, blood test) and vaccinations may be offered. **If you accept**, it will be necessary to carry them out and see the general practitioner again with the results.

The appointments will be communicated to you by text message by le Réseau Louis Guilloux.

- ◆ During the second consultation, a **personal health booklet**, will be given to you. It is important to keep it with you to continue the medical follow-up.

Please note that your personal informations (medical-administrative) will be used anonymously to evaluate these consultations with the general practitioner.

After this check-up , if you have **ADMINISTRATIVE HEALTH RIGHTS** :
